WebBank Celebrates 10 Year Anniversary.

May 15th marks the 10 Year Anniversary for WebBank. As an industrial bank chartered under Utah law, WebBank offers national captive finance solutions for commercial and consumer markets.

National partnerships are a sound strategy for WebBank. According to Gerry Smith, President and CEO, “WebBank can offer unique financing programs through partnerships, acquisitions or fee for service arrangements. Our senior management team has over 100 years of financial services experience and can work with entrepreneurial partners to find a financing solution.”

WebBank is well positioned for local and national business. Their Board of Directors is comprised of business leaders from Utah, namely Robin Riggs VP and General Counsel for the Salt Lake Chamber of Commerce, Rey Butcher, Director of Government Affairs for Questar Corporation and President and CEO Gerry Smith. They also have Jim Henderson of Steel Partners and Attorney Marcus Faust.

WebBank currently assists with business growth and customer services for a variety of industries and companies in arenas such as credit card issuance, commercial real estate development, medical receivables and inventory and equipment financing, including leasing.

WebBank is a Preferred Lender (PLP) and offers guaranteed loans such as SBA (504 and 7a) and USDA Loans throughout Utah and on a national basis.

WebBank supports their growth through membership in the Equipment Leasing Finance Association (ELFA), Commercial Finance Association (CFA), Utah Association of Financial Services (UAFS), Utah Bankers Association (UBA), Utah Association of CPAs (UACPA) Salt Lake Chamber of Commerce and Accelerated Corporate Growth (ACG). WebBank and its employees participate in a variety of community events and organizations including the United Way fund drive and Day of Caring.
